12 Day Pre-Primary Report
RQ-3 dated July 30, 1998

Dear Wendy:

In accordance with our telephone conversation of this date, enclosed you will find a corrected summary page for our report. As discussed, I didn't realize the totals for Columns A & B, Lines 6(a) & (c) had been taken from Line 16 of the Detailed Summary Page rather than the correct line 11(e).

We apologize for this oversight.

Sincerely,

Janice Gallegly
